DETAILED SUMMARY STATEMENT:

The Taylor-Montz litigation arises from a motor vehicle collision that occurred on November 15, 2013, in the northbound lanes on the 3700 block of Rucker Avenue in Everett. A City-owned Parks Department vehicle collided with the rear of plaintiff's legally stopped vehicle. Ms. Taylor-Montz sustained injuries and sought to recover \$250,000.00 from the City. A mediated settlement of \$60,000.00 has been reached pending City Council approval. The City Attorney's Office recommends approval of this settlement which would include a full release for any and all claims arising from this event.
